CONFIDENTIAL

P.M.O., Jaffa.

I beg to forward result of Medical examination of Posts & Telegraphs Department at Tulkeram.

As regards Postman Gameel Abdel Fattah , who fails to attain the standard of vision laid down, but who is quite fit otherwise, may I recommend that he might be passed fit for the following reasons:-

1. The Postmaster here thinks that he is doing his duties efficiently and faithfully.
2. This defect, considered with regard to the nature of employment, would not make him inferior in efficiency for work.

ratified by the Central Medical Board.

When sick leave is recommended, the
reason for the recommendation should be stated
by the Board e.g. in this case, "Recommended
for 21 days sick leave with effect from
5-2-25 to convalesce from severe influenza
complicated by pneumonia".

Not also that a Medical Board can only
recommend - it cannot grant - sick leave.

-----Subject:- Tulkeram District Medical Boards.

Reference your M/12/9 of 6-3-23.

It is noticed that the proceedings of Tulkeram District Medical Boards have been included in those of Nablus and the Nablus serial numbers allotted to them.

This procedure is incorrect.

Each Health Office should keep its own Register of Proceedings in which the numbers should run consecutively.

The present position of the numbers of Tulkeram from the records in this office are as follows:-

1 - 34	dated	23-3-20.
35 - 38	"	14-4-20.
39 - 44	"	23-3-20.
1 - 7	"	21-6-20.
205 - 206	"	23-8-20.
9 - 12	"	22-10-20.
24 - 43	"	23-10-20.
554 - 555	2	2-10-22.

From the above you will see that it is impossible to keep a check on the proceedings to ensure that none are missing.

A Medical Board composed of Dr. Hamzeh P.H.D. Jaffa and myself was held at Tul-Karem on 29-8-21 and 30-8-21 on the under-mentioned officials of the Revenue Department. Ratification by Central Medical Board is required by Sub-District Governor of Tul-Karem. P.M.O. Jaffa was asked for the necessary approval, but as per attached correspondence, it seems that no records could be found of such a Medical Board.

The three officials in question were medically examined and found fit for permanent service.

This Tax collector was told to procure eye-glasses. He saw an ~~eye~~ oculist in Jerusalem, who it seems thinks that eye-glasses will not be of much use. As the defect of vision is not caused by any ocular error of refraction and since the cause of the trouble is connected with the cornea, the fellow is evidently semi-blind.

tested.

On receipt of your M/58/16 of 12-8-22
I requested M.O. Tulkarem to ask him to procure glasses from an
eye specialist and unfortunately this morning I am told that he
came back with some drops from Dr. Ticho he is to use for 2 months

An evidence from an eye specialist would
settle the matter. Copy of his O.M.B. ratified by O.M.B. is
